

Dear Customer,

This year's Christmas period includes several public holidays, and most of our suppliers as well as freight companies (except express services) will be closed or operating at limited capacity.

As a result, our regular production will be closed from December 23 to January 6.

During this time, we will still be available for:

- Phone support
- Customer service
- Express deliveries of stock items in special cases

Please place your orders well in advance to ensure timely delivery and avoid delays.

We appreciate your understanding and cooperation. If you have any questions, do not hesitate to contact us.
